(this link was also provided **in the meeting invite** and in the **WebEx Chat Window**)

OASIS Common Security Advisory Framework (CSAF) Technical Committee Monthly Call

NOVEMBER 28, 2019

Agenda

- Roll call

(Please register your attendance at: https://www.oasis-open.org/apps/org/workgroup/csaf/record_my_attendance.php?event_id=47737&confirmed=1)

- Approval of Agenda

- Approval of Minutes from Previous Meetings

<https://www.oasis-open.org/apps/org/workgroup/csaf/download.php/64334/CSAF%20Minutes%20of%202018-10-31%20Meeting#20.pdf>

- December Meeting Schedule

- CSAF 2.0 JSON Schema Work

- How to describe products in JSON (follow up from email sent by Eric Johnson - <https://lists.oasis-open.org/archives/csaf/201811/msg00010.html> and related to <https://lists.oasis-open.org/archives/csaf/201811/msg00008.html>)
- Close on Enhancement of Generic Software Identification Parameter/Attribute (related to <https://lists.oasis-open.org/archives/csaf/201811/msg00009.html> and <https://lists.oasis-open.org/archives/csaf/201811/msg00000.html>)

- Next steps

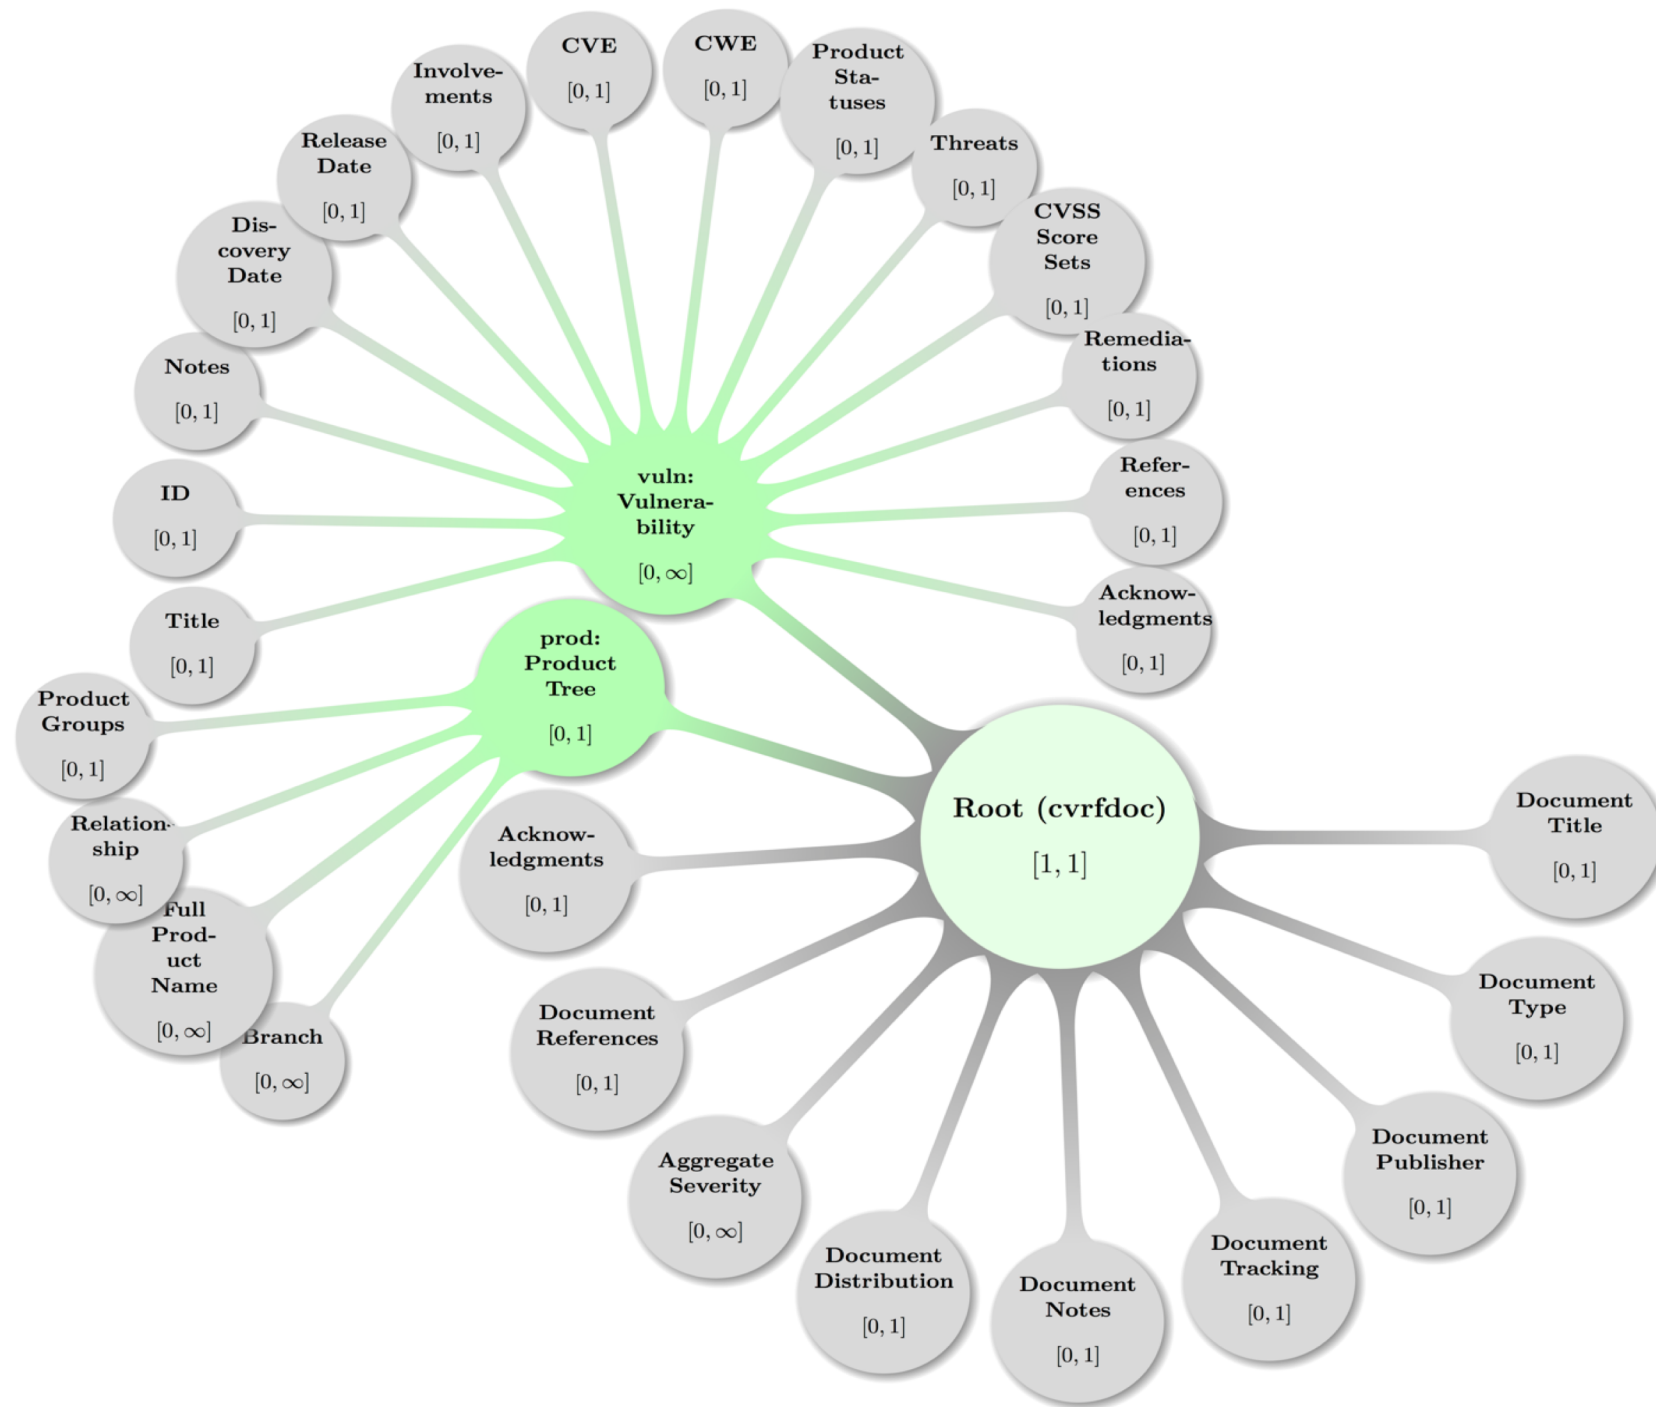

- Adjourn

December Meeting: Reschedule for 19th or Cancel (but continue conversation over email)?

| December | | | | | | |
|----------|----|----|----|----|----|----|
| Su | Mo | Tu | We | Th | Fr | Sa |
| | | | | | | 1 |
| 2 | 3 | 4 | 5 | 6 | 7 | 8 |
| 9 | 10 | 11 | 12 | 13 | 14 | 15 |
| 16 | 17 | 18 | 19 | 20 | 21 | 22 |
| 23 | 24 | 25 | 26 | 27 | 28 | 29 |
| 30 | 31 | | | | | |

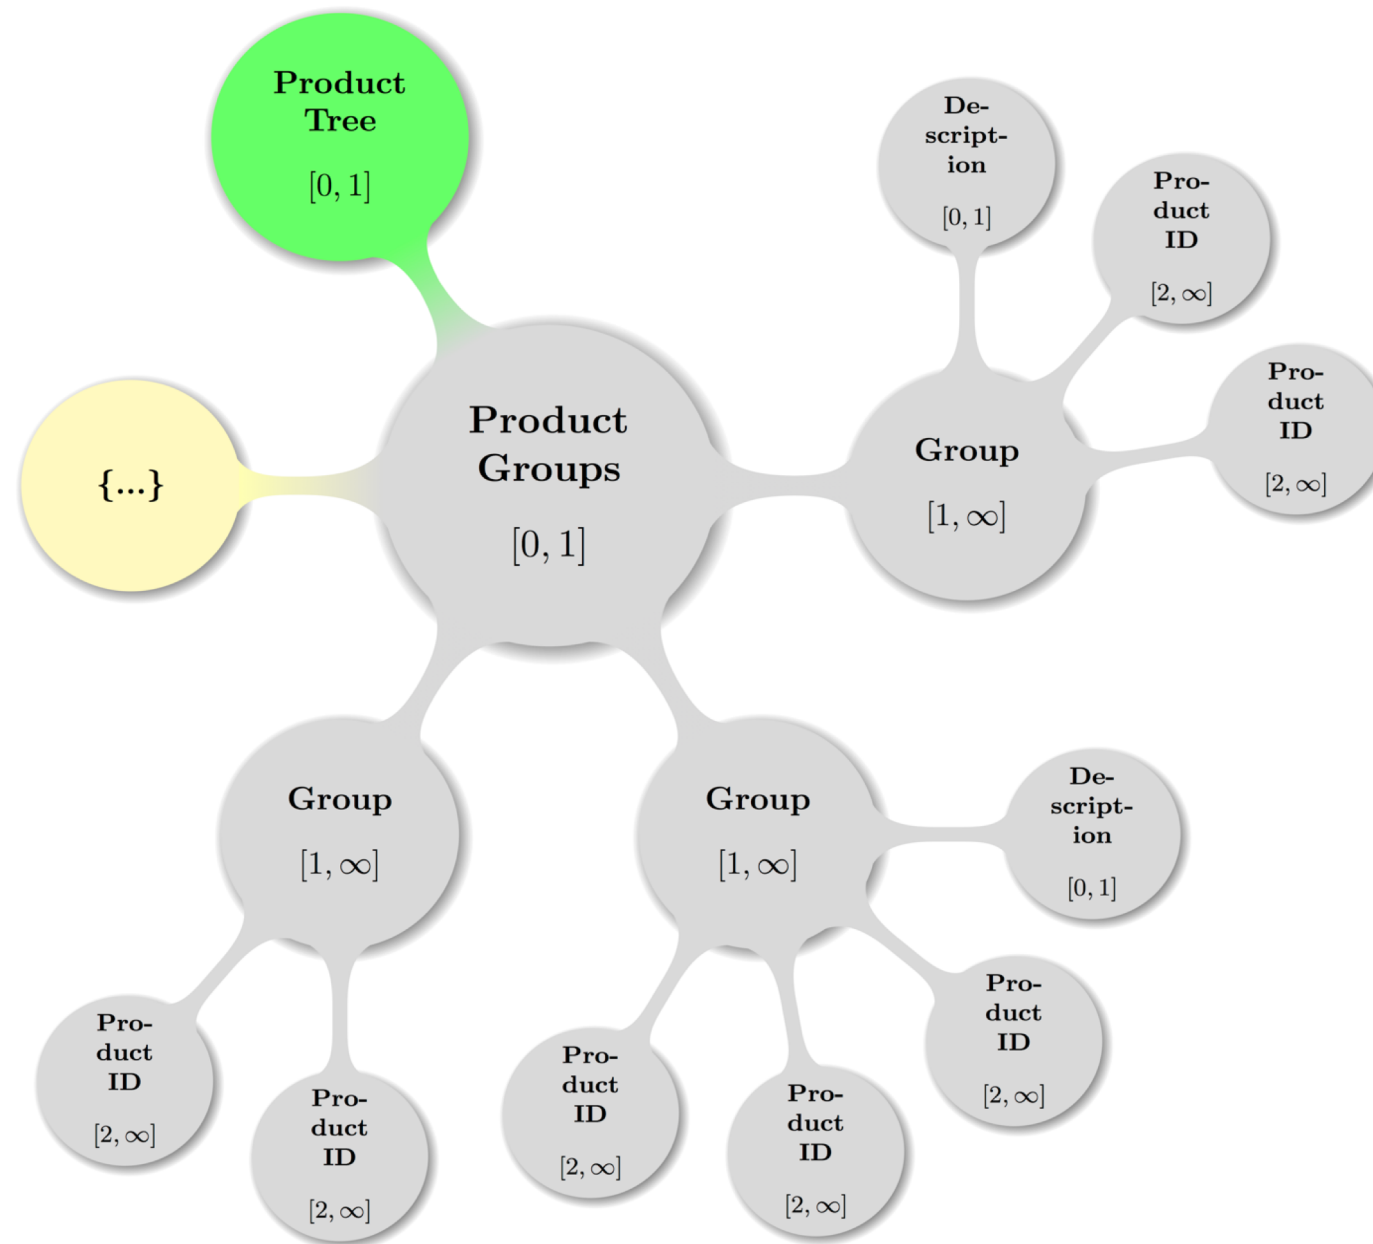

CVRF 1.2 Document Model Tree Map

- per current specification (section 3,
Figure 1).

MITRE CVE JSON SCHEMA PRODUCT SPECIFICATION

```
13     "product": {
14         "type": "object",
15         "required": [ "product_name", "version" ],
16         "properties": {
17             "product_name": { "type": "string" },
18             "version": {
19                 "type": "object",
20                 "required": [ "version_data" ],
21                 "properties": {
22                     "version_data": {
23                         "type": "array",
24                         "minItems": 1,
25                         "items": {
26                             "type": "object",
27                             "required": [ "version_value" ],
28                             "properties": {
29                                 "version_value": { "type": "string" }
30                             }
31                         }
32                     }
33                 }
34             }
```

Generic Software Identification Parameter/Attribute

Replace this property with
standard_product_id (or similar)

```
56     "properties": {  
57         "product_id": {  
58             "$ref": "#/definitions/non_empty_string_t"  
59         },  
60         "text": {  
61             "$ref": "#/definitions/non_empty_string_t"  
62         },  
63         "cpe": {  
64             "$ref": "#/definitions/non_empty_string_t"  
65         }  
66     },  
67 }
```

Refer to email: <https://lists.oasis-open.org/archives/csaf/201811/msg00009.html>

Thank you!
